

SUTHERLAND SHIRE ART SOCIETY NEWSLETTER

AUGUST—SEPTEMBER 2018 EDITION

President's Report

Here comes the second half of the year and we have some interesting activities to look forward to.

We came home from holidays to find everybody very busy painting Christmas cards and enjoying themselves under the guidance of Yvonne and Valda. They will be painting rocks next.

Activities

The activities list seems popular ... please remember to check regularly as there will be changes to it now and then. If you are new and/or don't have a copy, please see me or our secretary. Basic calendar information is also on our website and in the newsletter.

I've been asked to show you how to do a pen and ink acrylic

skyline painting. If you are interested in this, there is an information letter/handout available.

Open Day

Next question, How many people have you invited to our open day? We have to keep promoting ourselves and our work in the area.

Sandra will tell you stick Open Day flyers on the telegraph poles in the area. Look for noticeboards in shops, libraries, clubs, halls, and take a few to any other meetings you attend.

Workshop

We have the Ken Tucker workshop coming up on Wednesday 31 October – how lucky are we to share some of his talent.

Put your name on the list. We haven't increased the price – still only \$50 for the day.

Name badges

I know I am also a bit neglectful at times, but as we have a few new members we must wear our name badges to let them know who we are.

AGM Wednesday 5 September

Most exciting of all is the annual general meeting! Have you put your nominations in? We need help to continue our work.

Cheers, Beverley

July Demonstration – Marion Chapman

Marion Chapman demonstrated contemporary still life at our June meeting, utilising a series of pre-prepared drafts to illustrate the watercolour techniques and stages.

Colours for the butterflies theme reflected personal choice and mood, and techniques shown included poured watercolour,

and using masking fluid with an applicator.

Marion used Saunders Waterford 300 gsm paper and Daniel Smith masking fluid.

August Demonstration – Glenda Carter

Glenda shared her techniques and a philosophy on abstract painting: ‘Don’t plan – just do!’

She demonstrated a total abstract, using masks and varied edges. Examples of paper were Arches Aquarelle hot-pressed watercolour paper and Canson’s large oil painting sheets.

We were encouraged to try

abstract, and not stress if we didn’t end up with a work of art – just to enjoy the freedom of the process.
