JUNE – JULY 2022 EDITION

President's Report

Another successful Art Show is now behind us. Lots of paintings sold which means lots of our members have smiles on their faces on the way to the bank. My congratulations not only to those who sold paintings but all who exhibited and built up the aura, the atmosphere which gave us such a great show.

Let me firstly give our thanks to the management of the Menai Marketplace for providing the screens and thereby reducing our workload in setting up and dismantling the display.

What now? Even though we have just finished the 2022 show we now must start our planning for 2023. But apart from that we have to get through the next 12 months of our normal year.

Workshop

The first major event is our August workshop which will be

led by the popular Joe Bezzina on 31 August – the last Wednesday in August. Our workshops are limited in number so early registrations are necessary.

Christmas Party

Our Christmas get-together has been booked, deposit paid and set in concrete. Needless to say it will be a little more expensive than last year but that is the way of things these days but quality always reigns supreme and Club Central always delivers.

Annual General Meeting

Although it is only late June, In October we will be having our AGM and part of the AGM is the Election of Officers. What I would like to see is that every position on your committee is contested;

from president down to everything. We must always prepare for the future. So many gains have been made in the past several years and that was only because we looked ahead – this forward thinking must continue. New people bring new ideas and we can only progress by examining and processing these ideas, rejecting those deemed unsuitable and turning those with merit to our advantage.

I, as your current president, am looking forward to the months ahead, socialising with each and every one of you and giving the treasurer authority to demand money from you.

Have lots of fun,
Peter T. President
