# NEWSLETTER

APRIL-MAY 2021 EDITION

## From Your President

At times we thought it would never happen but here we are on the verge of opening our annual Art Show at Menai Shopping Centre. Entries are all in and no more entries can be accepted. While I don't have a final total of entries I know that we will have received great support from our members and other friends.

Now it is up to us, each and every one of us, to make certain that all our friends and acquaintances are made aware of this marvellous event and join us between Monday 17 May and the following Sunday 23rd. A reminder to all entrants that we will be checking in from 5pm Sunday 16 May outside Big W. This is the time to bring your works for exhibition.

'Should' we make any sales remember that we take credit cards, EFT, Apple Pay and Google Pay on site, so by making paying so easy we hopefully will have a financially successful show this year 2021.

### Our Sponsors

We, the Sutherland Shire Art Society Inc, have been well supported by our sponsors who are Club Central (formerly known as Club Menai), Kookaburra Air

Conditioning, At Your Service, Menai Physio, Lee Heslehurst Lawn Mowing and Gillian Travers Podiatry. We give them thanks for their support for our society.

### Member News

Steven Young has finally had his operation, the one we have been waiting an eternity to hear about and is now having physio and is on the way back to full health. I don't expect to see him in person at our gatherings for another four weeks or so but should anyone want to give him a call see me and I will give you his number.

Sue Lord has undergone some hip surgery and has come out of it wearing a great big grin and is, like Steve moving along in leaps and bounds. We had the pleasure of her company at our recent meeting and I know she will be as regular as before.

### New members

Since our last Newsletter we have been joined by Janice Ford, Sue Carter and Josephine Pagano and as well as giving them a great and warm welcome we look forward to seeing them

regularly at our weekly gatherings every Wednesday.

### Art History

I was very chuffed with the result of my first two Art History showings. It appears that those who attended, and there were many, really enjoyed the presentation and this has encouraged me to continue presenting similar items for about 20 minutes on the third Wednesday of each month. If you missed the last presentations or would like to revisit it, follow this link:

One final note from me today is that Debbie is providing us with samples of her cooking at our General Meetings again. We really did miss her efforts over the past twelve months as we had been forbidden to provide foodstuffs by our Council.

Keep painting, keep enjoying yourselves and be as regular as possible at our Wednesday meets.

President*
