FEBRUARY – MARCH 2024 EDITION

President's Report

Well we enter the Year of the Dragon. I hope you all enjoyed your Christmas and your New Year is healthy, wealthy and full of enjoyable moments.

Our year has begun with a reasonable attendance at our February meeting, an interesting demonstration on Alcoholic Ink and the different surfaces it can be used on.

Sadly Peter our president has resigned, our secretary Angela also, but is giving a helping hand till we find a replacement. Our social secretary is no longer able to fulfil her position which leaves

me trying to hold our group together. I desperately need help and would love some of our members to put their hands up and apply for the vacant positions.

I would like to thank Peter for his long-term commitment and dedication. I would also like to thank all the new committee members for putting their hands up and giving a helping hand. Without them I would be lost. Also to Diane a big thank you for all her help putting this newsletter together, time after time.

March

At our March meeting I hope to give you all a date for our next social activity and the starting date for art class and subject.

The March Meeting demonstrator will be Remi Lorkin and the Peoples Choice theme is Bridge/s with a prize for first place of a \$10 gift credit card that can be used anywhere. So come on members, challenge yourselves and delight us with all your entries.

*Carolynne Martin,
Vice-President*

Vale Val

Valda Burtenshaw

born 7 December 1940,
passed away 5 January 2024
aged 83.

Valda loved fishing and was always down the beach early in the morning to catch bream and whiting at Vincentia Beach.

She did a lot of stained glass work including windows, tiffany lamps, slumped glass bowls and mosaic terracotta plates, as well as knitting, sewing and painting.

Val had a very kind heart and a great sense of humour but would not agree to anything she considered wrong.

We will miss her.

Our thanks to Lenore Ashmore for our first 2024 demonstration.

Lenore showcased the wide possibilities of alcohol ink, including the differences when using the ink on paper, canvas or metal.
